EDUCATION

Malla Reddy College of Engineering and Technology (MRCET), Hyderabad **2022 – 2026**
B.Tech in Computer Science and Engineering (Data Science)
- CGPA: 7.9 / 10 (Pursuing)

Narayana Junior College, Kothapeta **2020 – 2022**
Intermediate (MPC)
- Aggregate: 84%

Gowthami High School, Nakrekal **2011 – 2020**
Secondary School Certificate (SSC)
- CGPA: 10 / 10

TECHNICAL SKILLS

- **Programming Languages:** Python
- **Data Science & AI:** AI Agents, Pandas, NumPy, Scikit-Learn
- **Databases & Cloud:** SQL, Git, GitHub, Postman, AWS
- **Business Intelligence & Office Tools:** Power BI, Microsoft Office (Excel, Word)
- **Core Concepts:** Operating Systems (OS), Database Management Systems (DBMS), Computer Networks (CN), Cloud Computing.

WORK EXPERIENCE

Software Engineer Intern **Sep 2025 – Present**
Ecliptz Labs Pvt. Ltd. Hyderabad (Remote)
- Worked on AASRA AI platform by integrating backend logic and managing smooth data flow.
- Assisted in developing scalable web components for user management and content platforms.
- Designed data structures and database schemas using MySQL for user data storage.
- Built and tested API endpoints to handle application routing and user features securely.

PROJECTS

FinAdvisor AI **April 2026**
Technologies: Python, Machine Learning, MySQL
- Built a smart financial advisor system that suggests suitable loan options to users based on their financial details.
- Processed raw user inputs and implemented logic to calculate risk factors and personalized offers.
- Created clean backend queries to fetch and update financial records quickly.

CrowdGuard – Crowd Density & Safety System **April 2025**
Technologies: Python, OpenCV, Computer Vision, Flask
- Created a real-time system to monitor video feeds and detect heavy crowd gathering in specific areas.
- Used image processing models to accurately count people and identify sudden crowd build-up.
- Configured simple backend triggers to send warnings when crowd levels cross the safety limit.

CERTIFICATIONS

- **Cambridge English Empower Level C1 Course** – Cambridge University Press & Assessment
- **JobReady Employability Skills (123 Hours)** – Wadhwani Foundation (October 2024)
- **AWS S3 Basics** – Coursera (2025)
- **Python for Beginners: Data Structures** – Coursera Project Network (May 2023)

LANGUAGES & PERSONAL DETAILS

- **Languages Known:** Telugu (Native), English (Conversational), Hindi (Conversational)
- **Interests:** Exploring New Tech, Photo & Video Editing, Content Creation, Music, Workout
